"YOURS BUT NOT THEIRS"

ROMANS 10:13-15

REALITY: There may be things we are doing today as a church that we won't be doing ten years from now... but evangelism/missions cannot be one of them. Why? It was Jesus' life!

I. AMERICA IS THE NEW MISSION FIELD OF THE WORLD.

REALITY: The third largest identifiable group in American life today is "the nones."

TRUTH: So-called Christian America is the new mission field.

II. MISSIONS' URGENCY, Romans 10:13-15

TRUTH: We must go because millions don't know the song of salvation. It's in our heads but not theirs.

TRUTH: The great sin of our day is Christian apathy to evangelism and missions.

III. THE HEARTBEAT OF FAMILY IN HELL, Luke 16:19-28

*Jesus' sermon points:

1. Death is universal.

INSIGHT: Death is a surprise for a huge number of people.

TRUTH: Death is the surest certainty of my life and yours.

2. Hell exists.

TRUTH: Whether a parable or actual event with two real men, Jesus Christ has declared the reality of hell.

TRUTH: At death the fate of our life is sealed and set in motion.

3. The issue

TRUTH: The rich man had no thought he was headed for hell, no sense of urgency to prepare.

TRUTH: Five minutes in hell and the rich man had an evangelistic heart for his family.
