**TRUTH 1:** Knowing God's voice is not found in a formula but in a relationship with Him.

**BEWARE:** Hearing from God always leads to a choice.

**TRUTH 2:** The Holy Spirit uses four primary ways to speak to us today.

1. The Word

You can't know what He is saying if you don't know what He has already said.

2. Prayer

Dialogue is a two-way street.

3. Circumstances

We will only know the truth of our circumstances when we hear from our Father.

4. The Church

The decisions we make next year are profoundly affected by the degree to which we submit to Him now.
