## THE ROLE OF A LIFETIME

### 1 SAMUEL 16-17

**TRUTH:** God is seeking those who will step onto His stage to tell His story for His glory.

#### 1. The Casting Call

**INSIGHT:** There is an open casting call but the Father is looking at one criteria above all else when casting roles: the heart (1 Samuel 16:7).

#### 2. Preparing for the Role

**INSIGHT:** "Decisions we make today will determine the stories we tell tomorrow." - Craig Groeschel (1 Samuel 17:34-37)

**INSIGHT:** We prove our ability to handle big assignments when we are faithful in the small ones before us.

#### 3. Stepping onto the Stage

**INSIGHT:** David recognized that opportunity was knocking, and he rose to the occasion (1 Samuel 17:32).

Response:

- 1) How is your heart?
- 2) How are you preparing today?
- 3) What opportunity is knocking that you know the Lord is calling you to answer?
