## "THE FORGOTTEN DOCTRINE"

Ben Stokes, *Missions Pastor*

### EXODUS 2-15

#### I. BASIS OF GOD'S WRATH, Exodus 2:23-25

**TRUTH:** The basis of God's wrath is found in His uniqueness as God.

**TRUTH:** God has to be the starting point for our biblical definition of wrath.

**DEFINITION:** Wrath is God's holy reaction to evil.

**TRUTH:** God's holiness exposes sin; His wrath opposes it.

#### II. THE OBJECT OF GOD'S WRATH

**TRUTH:** No one stands under the wrath of God except those who have chosen to do so.

**TRUTH:** Pharaoh and all peoples born of this world remain the objects of God's wrath if they reject God's invitation for salvation (Romans 1:18, 2:5, 2:7-8).

#### III. THE RESULT OF GOD'S WRATH

**TRUTH:** The wrath of God is intense, but the love of God is more intense.

**QUOTE:** "Only he who knows the greatness of wrath will be mastered by the greatness of mercy." –Gustav Stahlin

**TRUTH:** For those who choose God, the result of God's wrath is worship.

#### IV. INVITATION

**QUESTION:** Will you know God as a Judge or a Savior?
